

Make a list of your needs and wants. At least 5 items for each. Needs/Wants

Think about whether each item is a need or a want, and what each costs.

Think about how each item will help you or make you feel.

Discuss the items with your parents/guardian.

Decide which item or items you will plan to buy.

Do you already have enough money? If not, how will you earn more? All questions must be answered!
