

The Parent Club

The Parent Club provides program assistance and support of youth activities. They assist with determining where the next focus of support is most feasible or beneficial for the program. Providing fundraisers for the youth program is one of the most important aspects for it allows the youth to purchase uniforms and instruments, have workshop materials, attend field trips, and annual conferences. Parents are our greatest cheerleaders. Join us in our quest to help our youth become successful in their endeavors.

Welcome to Our World!

The Youth Club is composed of boys and girls ages 4 to 18 years old.

Its main purpose is to prepare youth to become future leaders by

enhancing their social, educational and cultural skills. The activities provided allow the youth to use their creative thinking skills which help them identify with whom they, which also allow them to discover new interests that increase their self-worth. Some of the activities include performing arts, music, sports, other athletic activities, STEM/STEAM projects and etc.

Program Benefits:

- ◆ Enhances self-esteem, confidence and character
- ◆ Builds Teamwork and Leadership Skills
- ◆ Develops and encourages the spiritual side of youth
- ◆ Learn the importance of academic success

It is hoped that each program's youth will bond and formulate a troupe or group who performs in our annual confer-

Workshops and Conferences

The youth meet at least once per month in a group setting to participate in various activities, workshops and community service projects. These are designed to help them:

- Understand the importance of academic success
- Learn how to make positive decisions
- Understand the importance of Community Service and civic responsibility

Since the workshop material is tailored to specific ages, the youth are separated into age groups in order to receive age appropriate information.

Annual conferences available to the youth are the Thanksgiving Feast, Annual Desert Conference and Gala Day, Annual (National) Imperial Session. These conferences allow the youth to

meet others in the program, attend educational workshops and participate in various competitions such as, dance, pom-poms, flags, drill, drums, singing, oratorical, STEM/STEAM and more,

Deputies and Volunteers

Many of our staff have mentoring experience and provide a wealth of knowledge to help our youth. Prior to working with the youth, everyone including parents are required to have a national background check.

Remember, safety first!
