Imperial Youth Department - Overview

- ▶ *Youth Department – To develop a cultural, social and educational program for youth, one that is service oriented that will aid in building character.*
- ▶ *This is achieved by providing mentoring, cultural and social activities. Some of the activities include: Monthly meetings, workshops, community service projects, field trips, music, sports, dance, drill, drum, arts and crafts, STEM projects and others.*
- ▶ *Youth are also provided the opportunity to attend annual national conferences; i.e., Desert Gala Conference and Imperial Session where they can attend workshops and compete with other youth in various competitions.*
- ▶ *Ultimately, to create a well-rounded, successful young man or young lady, who will one day become a noble or daughter and continue our Organization's legacy!*

DEVELOPING THE BUDGET

Questions to Consider:

- What's on the Calendar of Events); i.e., workshops, field trips, movies, fundraiser startup funds.
- Developing a troupe or talent group? If so, for how long?
- Are instruments and uniforms needed?
- Are funds needed for travel expenses to annual conventions?
- Will parents pay full or partial of the costs?
- Revisit & Revise the budget based on revenue generated!
